- ❖ Focus on Freedom in Christ

Helping others to surrender to God's love and Lordship.

How We Do What We Do ...

Prayer Ministry - Many of us have been deeply hurt in our lives and continue to carry wounds that impact our relationships causing us to build walls around ourselves that block out God and others. These inner hurts can often prevent us from living joy-filled, fruitful lives. True Vine Ministry offers prayer ministry appointments under the guidance of the Holy Spirit. This can bring healing to inner wounds of the soul and the human spirit.

Teaching - A key to continued spiritual, mental and physical health is what we believe about ourselves and what we believe about God. From a Biblical Christian perspective, True Vine Ministry offers opportunities to learn God's truth about who we are and who He is. This enables us to respond to life according to His will for us.

Training - For those who feel called to the prayer ministry, True Vine offers courses that teach you to pray for others for deeper discipleship and healing for inner brokenness.
